Note:

Further to the outbreak of COVID -9 (Coronavirus), Parks Tennis Ireland is adhering to guidance from Tennis Ireland and the Department of Transport Tourism and Sport Expert Group in an effort to contain the spread of the Covid-19 virus and ensuring a safe environment for players and staff.

This screening procedure is one of our measures seeking to identify any potential cases at the earliest opportunity in order to avoid any contacts/spread. The research to date for this virus suggests that transmission appears to be during symptomatic phase. Hence identifying those with symptoms and isolating should reduce risk significantly. In addition, this screening complements our general illness precautions
